The Terra Sancta Organ Festival (Holy Land Organ Festival) is an international music event and a cultural activity produced by the Custody of the Holy Land, which allows everyone to enjoy the beauty of its pipe organs, an asset that would otherwise be restricted to Latin Catholics in their liturgies.

The concerts will take place in churches but all are welcome, whatever their religion.

The Terra Sancta Organ Festival takes place where the Custody of the Holy Land has a presence: Jordan, Greece, Cyprus, Israel, Palestine,

Lebanon, Syria and Egypt .

The organists are all internationally known musicians. PETER LATONA (USA) is Music Director for the Basilica of the National Shrine of the Immaculate Conception, the largest sanctuary in the United States; already a winner of the Bach Organ Competition in Lausanne, PAVAO MAŠIĆ (Croatia) is a young talent with an intense concert activity in Europe: he is also the titular organist of the prestigious church of St. Mark in Zagreb, where the first organ concert took place in 1359; the Italian PIER DAMIANO PERETTI (Italy/Austria) is professor of organ at the University of Music and Performing Arts in Vienna; winner of the prestigious organ competition of St. Alban, in 2015 he was awarded the Outstanding Artist Award by the Austrian government; MARCEL OCTAV COSTEA (Romania), conductor and composer, teaches at the National University of Music of Bucharest and is the Director of Music at St. Joseph's Cathedral in Bucharest.
